SECTION 1.1 INTRODUCTION

The following is the Agreement regarding hours, wages, and working conditions between the representatives of Management and the Torrance Library Employees Association. Each Section of this Agreement shall be considered in its entirety and subsections shall be considered only in the context of section as a whole.

Permanent employees, both full and part time are noted as Section I employees. Part-time employees are noted as Section II employees. Benefits and conditions of work are differentiated as Section I or Section II employees, as appropriate.

SECTION 1.2 EMPLOYEE RIGHTS

Employees of the City shall have the exclusive right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations, including, but not limited to wages, hours, and other terms and conditions of employment. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of his exercise of these rights. The City shall not hinder or discipline employees for exercising any rights or benefits provided in this Agreement or by State or Federal laws of Municipal Code provisions.

An employee who is requested to meet with a supervisor is entitled to have a representative present if the employee has a reasonable belief that the meeting may lead to the imposition of discipline against him/her.

SECTION 1.3 OBLIGATION TO MEET AND CONFER

Although nothing in this Agreement shall preclude the parties from mutually agreeing to meet and confer on any subject within the scope of representation during the term of this Agreement, it is understood and agreed that neither party may require the other party to meet and confer on any subject matter covered herein or with respect to any other matter within the scope of representation during the term of this Agreement.

ARTICLE 2 - COMPENSATION PROVISIONS

SECTION 2.1 SALARY ADVANCEMENTS WITHIN BASE PAY RANGE

- A. Starting Pay Rates
 - 1. Original appointment shall normally be made at the first step. Upon recommendation of the department head, and approval of the City Manager, initial compensation may be at a higher step in the range for the class based on the outstanding and unusual character of the employee's experience and ability over and above the qualification requirements specified for the class, or is required by a temporary shortage of applicants for the class involved; and further provided, that, in the latter case all current employees in the involved class who are receiving less than the new initial compensation rate shall have their rates of pay adjusted to such rate.
- B. Step Advancement Within a Base Pay Range
 - 1. Base pay step advancement within a pay range shall be on the first day of the nearest pay period to the anniversary of each year of service to the maximum step of the base pay range.

2. Such step advancement within the base pay range shall be subject to the employee having received at least a satisfactory rating at the most recent performance evaluation. If no such rating is on file when the vacancy occurs, the step increase shall automatically be granted.

Upon recommendation of the department head and approval of the City Manager, such step advancement may be accelerated where outstanding performance may justify. (Advancements to the next step following such accelerated advancement shall normally be after one year for base steps and two years for extended steps).

3. Library Page advancement to step 2 shall occur no sooner than upon completion of one year's continuous service in the position.
4. Junior Library Clerk I advancement to step 2 shall occur no sooner than upon completion of one year's continuous service in the job; further step increases as provided in the hourly salary range schedule shall occur no sooner than upon completion of each additional continuous year of service in the job.

C. Rate of Pay on Promotion

1. Whenever any employee covered by this Agreement is promoted, he/she shall receive the rate of compensation of the first step of the salary range for the new position or the lowest step in the range that provides an increase of 5% per month.
2. Library Page, Junior Library Clerk I Promotion:
Offers of promotion from Library Page to Junior Library Clerk I and from Junior Library Clerk I to Junior Library Clerk II will be made in order of seniority to the Library Page or Junior Clerk I with the greatest Seniority, a satisfactory work record, and ability to perform the tasks. If there are no Pages or Clerks with more than one year of continuous service with the Torrance Public Library and a satisfactory work record willing to accept the promotion, Management may offer the position to any qualified person. A satisfactory work record shall be based upon performance evaluations on file.

D. Extended Steps

1. Timing
Advancement to the first extended step shall commence on the first day of the first pay period following the first anniversary at top step for the base range. Step advancement to each successive extended step shall begin on the start of the first pay period following the first day of the third year in step (Section I employees)
2. Evaluation
A below standard performance evaluation in either of the two rating periods directly before the date of step advancement shall delay the step advancement six months or until performance is standard or better. If an employee at the top extended step receives at some subsequent time a below standard performance rating, the department head, with the City Manager's approval may reduce the employees pay an amount not to exceed 2.5% until performance rating returns to standard or better.

Performance evaluations shall be given every six months service. A failure to provide a performance report within 30 days of the due date shall be defined as standard for the purposes of these sections.

SECTION 2.2 REQUIREMENTS AS TO CONTINUITY OF SERVICE

For Section I employees, service requirements for advancement within salary range, industrial accident leave, long term disability, merit steps, vacation, and annual leave shall be based on continuous and total service as a regular employee.

- A. Leaves of absence without pay of 10 working days or less and leaves with pay shall not interrupt continuous service nor be deducted from total service.
- B. Leaves of absence without pay in excess of 10 working days except for extended military leave shall be deducted in computing total service but shall not serve to interrupt continuous service.
- C. All unauthorized absences without leave shall be grounds for disciplinary action except where it can be shown that the employee could not respond due to a bona fide emergency (the employee shall still be docked for any time not worked). Any unauthorized leave in excess of three work days in any calendar month shall be deducted from total service and may at the discretion of the City Manager interrupt continuity of service and be grounds for discharge.

SECTION 2.3 METHODS OF COMPENSATION

- A. Compensation shall be paid on an hourly basis.
- B. Payments due shall be paid on a bi-weekly basis unless otherwise specified in this Agreement. By mutual consent of the parties, more frequent payment and other modifications can be made.
- C. Base hourly salary shall be the regular rate of pay for a particular classification without consideration of any premiums, or extraordinary compensation.

Premium pay assignments shall be based on work load and skills required, and subject to any special provisions specified in this Section for any particular assignment.

While so assigned, a 7.5% premium to the Library Assistant I who is responsible for filing small claims court actions for the Library in order to recover costs of fines and overdue library materials. (This is a non-PERSable premium.)

ARTICLE 4 - WAGE SUPPLEMENTAL BENEFITS

SECTION 4.1 QUALIFICATION FOR BENEFITS

- A. Section I employees are eligible for benefits described herein. Part-time Section I employees shall qualify for 50% of the benefits described.
- B. Jr. Library Clerks I and II are eligible for pro rated benefits as noted: Section 4.2.a (Employee Insurance), Section 4.4 (Retirement), Section 4.6 (Sick Leave), Section 4.9 (Vacation). These titles will not be eligible for Section 4.2.b (Disability), 4.2.c (Life Insurance), Section 4.5 (Industrial Accident.)

SECTION 4.2 EMPLOYEE INSURANCE

- A. Employee Insurance:
 - 1. The City shall pay \$100 per month per employee and eligible annuitants toward medical insurance. The \$100 employer contribution can only apply toward the health insurance premium of one of the authorized PERS health insurance plans. If the employee does not participate in the PERS insurance plans the \$100 cannot be used for any other purpose.
 - 2. Active Employees: In addition to the PERS Mandated Amount (addressed in the matrix below) Active Employees shall be provided with an amount, which may be used by the employee to pay for approved Health Insurance Plan premiums, dental, or vision insurance.

Those active employees with family health plans will receive an additional supplemental to the health insurance premium equal to \$160.76 per month commencing with the July 2007 premium. The supplemental health amount will increase to a maximum of \$855.76 through the December 2007 health insurance premium for those employees who subscribe to City provided family health insurance.

The allocation of funds for these purposes in 2008 and 2009 are outlined in the matrix below:

Health Insurance effective <u>January 1, 2008</u>				
<u>Effective January 1, 2008</u>	<u>NC (No Coverage)</u>	<u>1 Party</u>	<u>2 Party</u>	<u>3 Party</u>
PERS Mandated Amount	\$0	\$100.00	\$100.00	\$100.00
City Cafeteria Contribution	\$0	\$273.98	\$647.96	\$872.34
Totals	\$0	\$373.98	\$747.96	\$972.34
Any amount remaining may be used to offset family dental or towards 2 party or family vision.				

Health Insurance effective <u>January 1, 2009</u>				
<u>Effective January 1, 2009</u>	<u>NC (No Coverage)</u>	<u>1 Party</u>	<u>2 Party</u>	<u>3 Party</u>
PERS Mandated Amount	\$0	By Statute or minimum of \$100, whichever is greater	By Statute or minimum of \$100, whichever is greater	By Statute or minimum of \$100, whichever is greater
City Cafeteria Contribution	\$0	Total – PERS	Total – PERS	Total – PERS

		Mandated Amount	Mandated Amount	Mandated Amount
Totals	\$0	\$392.68	\$785.36	\$1,020.96
Any amount remaining may be used to offset family dental or towards 2 party or family vision.				

Members who opt out of the cash contribution option cannot select that option in the future. Employees hired after date of ratification of this MOU will only have the option of single, two-party, and family health insurance coverage.

Given the increases to the health insurance premiums provided for by this Agreement, it is the intent of the parties to eliminate the previously provided cash contribution (i.e., city cafeteria contribution) to those employees who do not take health insurance from the City. However, given that existing employees who have not taken City-paid health insurance have been provided a cash amount as part of their compensation, it is the intent of the parties to "grandfather" existing employees as of the date of approval of this agreement by the City Council with their current cafeteria cash amount of \$226.01. Employees hired after the effective date of this agreement will be not eligible for the cash in-lieu of selecting a health insurance plan option

4. The accumulated savings created by the active employee who does not participate in the PERS Insurance Plan will be reallocated within the Torrance Library Employees Association so long as it is for a one-time only non-recurring benefit. The amount shall be computed by crediting the number of employees not participating in the program in a given month multiplied by \$100. It will be based on the past year's savings. The amount shall be credited at the time the new salary resolution is adopted each year.
5. The City shall continue such health insurance premiums up to the amount covered by this Section during a legitimate medical leave of absence for a period not to exceed 8 months for any employee covered by this Agreement.
6. City of Torrance joined PERS Health insurance to allow Torrance Library Employees association to participate in health programs. Both Management and TLEA agreed to join the program so long as it did not impact any of the other bargaining units within the City. If the PERS Health Insurance Plan significantly alters from the current structure or if the administrative and contingency fees charged by PERS increase above 4% for the annuitant, the City reserves the right to withdraw from the PERS Health Insurance Plan.
7. Dental Insurance:
Effective January 1, 2006, all employees covered under this agreement will receive, at no cost to the Union or employee, one-party dental insurance. Effective January 1, 2007, all employees covered by this agreement will receive two-party dental insurance. This benefit has no cash value if not used. If employees want to cover additional family members not covered in either 2006 or 2007, additional insurance may be purchased.
8. Vision Insurance
All employees covered under this agreement will receive, at no cost to the Union or employee, one-party vision insurance. This benefit has no cash value if not used. If employees want to cover additional family members, additional insurance may be purchased.
9. Effective 6/30/02, Jr. Library Clerks I and II will receive a pro rated portions of these benefits.

10. The parties agree that if legislation is passed which significantly impacts the City's ability provide health insurance through PERS Medical the parties will return to the table to meet and confer.
11. The parties agree to set up a labor-management committee for the purpose of working out the details related to allowing Library Pages to purchase health insurance at their own cost. The committee will commence meeting no later than December 31, 2007 with the intention of having a plan available to employees by the target date of June 30, 2008. However, due to unforeseen circumstances this date may be extended up to an additional six months and a plan shall be made available to employees by January 1, 2009 at the latest.

B. Short/Long Term Disability:

1. In accordance with the provisions of the Commercial short term/long term disability plan, employees with pre-existing conditions who do not qualify for coverage under the Commercial policy shall receive the following benefit:
 - a. Commencing with the thirty-first (31st) calendar day after the first (1st) day of lost time, the employee shall receive two-thirds ($\frac{2}{3}$) base biweekly pay for a period of time not to exceed one (1) month for each two (2) months of service to a maximum of two years.

- A. Section II employees who have completed their fourth year of service shall receive \$75.00 per month.
- B. Effective 6/30/02, only Library Pages who qualify will receive this payment. Jr. Library Clerks I and II will no longer receive this payment.

SECTION 4.4 RETIREMENT

- F. All Section II employees are entitled to benefits from the State of California with respect to industrial injury.

SECTION 4.6 SICK LEAVE

A. Introduction

- 1. Sick leave is a benefit and not a right and is to be utilized by employees who are unable to work because of an injury or illness not arising out of the course of their employment, except as provided otherwise in this section.
- 2. The sick leave benefit should be thought of as an insurance policy; it insures and protects employees from a loss in wages when they are unable to work because of an illness or injury.
- 3. The City considers good attendance to be a very important part of an employee's overall performance. Absenteeism creates a hardship on City operations and co-workers, resulting in work schedule disruptions and added costs. However, both parties understand that employees have legitimate needs to take time off. Neither side desires to inhibit employees from their legitimate right to use sick leave.
- 4. Misuse of sick leave shall be grounds for disciplinary action.

B. Sick Leave Use:

An employee shall be granted sick leave for the following reasons:

1. Personal illness or injury:

Medical or dental appointments including preventative care. Employees are encouraged to schedule medical and dental examinations of a non-urgent nature outside of normal working hours. Appointments scheduled during normal working hours constitute sick leave, provided that the employee gives advance notice in accordance with departmental rules and regulations.

Forced quarantine of the employee in accordance with community health regulations;

2. Family illness or injury:

Illness, injury or medical appointment of a member of the employee's immediate family which requires that employee's presence. Immediate family of the purpose of this section is defined as spouse, mother, mother-in-law, father, father-in-law, sister, brother, child or guardian, stepfather, stepmother, stepchildren, grandparents or grandchildren, great grandparents, and great grandchildren.

C. Accrual rate:

Permanent and probationary employees shall be granted sick leave in the following manner: Six hours per month to a maximum of 600 hours accrued sick leave.

D. Cash or deferred compensation options:

1. The employee may select, in June and/or December of each year, to convert any sick leave granted but unused over three hundred (300) hours into cash at the rate of one hour of pay for each hour of unused sick leave. Such payments shall be made before June 15 and/or December 15.
2. Any hours of sick leave which would have been granted over 600 hours accrued sick leave shall be converted into cash payable in December of each year on the basis of one hour pay for each hour of unused sick leave. An employee who wishes to defer this amount must submit a written request to the Finance Department no later than December 1.
3. Employees who cash out sick leave in June and/or December under this section may convert one shift of sick leave that would have been cashed out to their vacation leave balance.
4. Jr. Library Clerks I and II may not defer sick leave which has been converted to cash (also applies to Section I below.)

E. Sick leave standard:

1. Use of sick leave shall not necessarily in and of itself constitute misuse. However, sick leave use not related to a legitimate illness, or injury which exceeds standard usage and/or which has a predictable pattern may initiate a review of sick leave usage. If it is determined that an employee has misused their sick leave, the employee shall be notified of any restrictions or requirements to be placed upon the employee's use of sick leave regarding notification or use of other accrued leaves in cases where there is insufficient sick leave available.
2. Where the leave is refused, the employee must return to work or be terminated.
- D. Holding Position Open

Such amount shall not exceed the amount received by the employee immediately prior to separation of employment. The employee may choose to receive the full amount, subject to 1099; defer the funds to the City 457 plan, within the plan guidelines or receive a net check with the appropriate federal, state and social security deductions. This provision applies only to employees participating in a City-sponsored health insurance program at the time of termination or retirement.

 - c. Establishes to the reasonable satisfaction of the City that he/she is qualified to perform the duties of such position.
- I. Employees covered by this agreement may participate in the Catastrophic Leave Program as a donor or participant (Attachment B).

SECTION 6.9 LEAVES OF ABSENCE (Section II Employees)

A leave of absence for medical reasons where justified by medical evidence shall not unreasonably be denied except where the employee has exhausted the maximum leave of absence. Where the leave is refused, the employee must return to work or be terminated.
- D. Holding Position Open
1. Upon the expiration of a leave of absence duly granted in accordance with the provisions of this Section, an employee shall be returned to the same type of job as occupied when the leave of absence was granted.
- E. Medical Examination at Termination of Leave
1. Upon the expiration of any leave of absence, the City Manager may determine, by evidence of medical examination or other reasonable evidence, if the employee is mentally and physically able to perform the duties of the position from which the leave was granted. If the City Manager has determined that the employee is unable to return to work, the employee will not be returned to work but shall have the right to submit the matter through the grievance procedure.

SECTION 6.10 INACTIVE STATUS (Section I Employees)

- A. Subject to the approval of the employee's department head and the city manager, an employee may request inactive status.
1. Such a request must be made before the termination of an employee or within 30 days of such termination.
 2. The inactive status shall continue for no more than one year.
 3. Inactive status shall qualify a past employee to be certified as a name in addition to the three open eligibles for a vacant position in the classification from which he was terminated.
 4. All employee benefits shall not accrue during such inactive status and the employee shall not have continuity of service.

SECTION 6.11 INTRA-DEPARTMENTAL REASSIGNMENTS

- A. Vacant Position
 - 1. Employees in class to be notified of vacancy prior to filling of position by permanent or temporary appointment.
 - 2. Interested employees shall apply for position to department head.
 - 3. Applicants shall be interviewed for vacant position and shall be notified of results within five working days of interview.

 - 2. Reassignments between programs may be made by the department head.
 - 3. Such reassignments shall be preceded by reasonable notice (two weeks) to the affected employees, except where emergency conditions preclude such notice.

SECTION 6.12 CLASSIFICATION STUDIES

- A. The City retains the right to conduct and prepare classification studies. The City retains the absolute right to reallocate budgeted funds from vacant positions.
- B. Whenever the City wants to revise a class specification, the following will occur:
 - 1. The City will send a copy of the proposed revised class specification to TLEA both electronically (via e-mail to the union President) and by mailing a hard copy to the address specified for Union notices in Section 11.1.
 - 2. TLEA will, within 14 days of the date that the revised class specification was sent, inform the City in writing (to the address identified in this agreement for the City to receive notices) whether it:
 - a. agrees to the revised class specification; or
 - b. wants to meet and confer over the proposed changes to it.

If the parties reach an agreement on the revised class specification, it will then be submitted to the Civil Service Commission for review and then submitted to the Torrance City Council for final approval.
 - 3. If TLEA informs the City that it wishes to meet and confer, it will, within the same letter (requesting to meet and confer) inform the City of the dates within the next 30 days (from the date of the letter) that it is available to meet and confer.
 - 4. Upon receipt of the request to meet and confer letter from TLEA, the City will inform TLEA of the dates that are available over the next 30 days to meet and confer.
 - 5. The parties agree that they will try to reach an agreement as expeditiously as possible and hope that multiple meetings are unnecessary. However, given that an agreement may not occur, the parties agree to meet at least twice a week for at least four hours per meeting during the 30 day period after the City receives notification from TLEA of its request to meet and confer. The 30 day period (to negotiate over the class specification) may be extended if mutually agreed by both parties. In fact, since negotiations will also include compensation for the proposed classification, the parties agree to extend the negotiations by an additional 60 days (only if necessary - for a total of 90 days) for the purpose of negotiating regarding proposed compensation of the class specification. The parties agree that the first 30 days is to negotiate over the

class specification itself and the additional 60 days is to give the parties the time to gather information on compensation and engage in meaningful negotiations regarding compensation of the class specification. For the additional 60 day period, the parties agree to meet as necessary to complete the process within that time frame.

6. If the parties reach an agreement on the revised class specification, it will then be submitted to the Civil Service Commission for review and then submitted to the Torrance City Council for final approval.
7. If at the end of 30 days for negotiations on the class specification and the additional 60 days for negotiations on proposed compensation days (or when either side believes negotiations are completed when mutually extended) the parties do not reach agreement on the revised class specification, the parties agree to resolve their impasse in accordance with this article, not the City's impasse procedure. Both parties specifically agree that this procedure is the sole and exclusive method for revising class specifications (including proposed compensation for the proposed classification) and that neither the City nor the Union can go through the impasse resolution process to resolve differences over class specifications. The parties agree to utilize a Fact Finder in accordance with the following timeline:
 - Selecting a fact finder within -----10 days:
If the parties cannot agree on a fact finder within the same 10 day period, the parties will request a list from the State Mediation and Conciliation service of individuals qualified to serve as fact finders and shall engage in a striking process until a fact finder is chosen. (If using the State Mediation and Conciliation service, the parties will request "expedited availability-arbitrators" who have indicated they typically have at least five open dates within the 60-day period after appointment.)
 - Participating in the fact finding process ----- 60 days:
If the chosen fact finder cannot agree to be available to conduct the fact finding within 60 days of contact by both parties, the parties agree to immediately contact the last person stricken from the prior list. If that person is similarly not available to complete the fact finding within 60 days, the parties agree to contact the next person stricken until such time as one of the individuals on the list indicates that he or she can conduct and complete the fact finding within 60 days.
 - Preparing and submitting the final report by fact finder ----- 30 days:
The parties agree to inform the proposed fact finder, that according to their agreement, the fact finding report must be issued within 30 days.

The 100-day fact finding period may be extended if mutually agreed by both parties. While 100 days is the agreed upon time frame for completion of the fact finding procedure, both parties recognize the need for flexibility. Therefore, days allotted for each segment of the procedure may be carried over to the next segment or borrowed from the next segment. At the end of the entire process, if additional time is required for the final report, either party may extend the segment by an additional seven days without consent.

8. Following the fact finding process, the City will submit the proposed revised class specification, individual positions by City and the Union, and the report of the fact finder to the Civil Service Commission for review and decision. The subject of compensation is not within the jurisdiction of the Civil Service Commission. As such, the Commission will not make any decisions regarding compensation. The decision of the Civil Service Commission (including the report of the fact finder and relevant material) will be

submitted to the Torrance City Council for final decision. The Council's decision will include a decision regarding the proposed class specification and compensation based on the information (the report of the fact finder and relevant material) presented to it.

9. Effective January 1, 2008, a maximum of three revisions may be made to class specifications per calendar year. Additional revisions to class specifications may be if mutually agreed by both parties.
 10. By agreeing to the above procedure, the parties hope to expeditiously agree on or reach resolution of differences regarding class specifications.
- C. In the event of a modification of a class specification, the City and the employee group will meet and confer with regard to the status of the incumbents and their hours, wages and working conditions. A permanent incumbent employee in a current classification covered by the agreement will not have wages and/or benefits reduced as a result of the above actions.
- D. Either party may request a study of a particular position or series of positions during the life of this agreement. In any event, TLEA shall be notified prior to the studies.

SECTION 6.13 SUB-CLASSIFICATIONS (Section I Employees)

- A. The class of Librarian shall have sub-classifications for the purpose of examination. These sub-classifications shall include:
1. Reference
 2. Children's
 3. Cataloging
- The sub-classifications shall allow the establishment of individual eligible lists and shall further allow for the reassignment of personnel between sub-classifications.

SECTION 6.14 LAYOFF (Section I Employees)

- A. Prerequisite to Layoff
1. Whenever in the judgment of the City it becomes necessary in the interests of economy or, otherwise, for a position or positions to be eliminated, the City Council may abolish any position or positions covered by this Agreement and release the employee(s) holding such position(s).
 - a. No permanent employee shall be laid off from a position in a given class covered by this Agreement until all temporary, recurrent, part-time, and non-promotional probationary employees in that class have first been laid off.
 - b. This layoff procedure shall be restricted to those employees represented by this Agreement and shall have no direct effect or bumping rights on any other employee representation unit, nor shall any other employee representation unit have bumping rights into this unit unless a reciprocal agreement is entered into by both representation units.
- B. Order of Layoff
1. In a class in which a layoff or reduction is to be made, the order shall be as follows:
 - a. Individuals having two or more below satisfactory ratings within the preceding two years shall be laid off first.
 - b. Individuals with satisfactory and above ratings shall be retained over those individuals with two or more below satisfactory ratings within the preceding two years.
 - c. Within the order of layoff as described above, employees shall be released in inverse order of their seniority within the job classification, providing that the

remaining employees have the demonstrated ability and qualifications to perform the remaining work within the sub-classifications specified in this Agreement.

C. Order of Layoff

1. The first employees to be released shall be those who have been employed with the City less than six months. This reduction in forces shall occur in inverse order from date of hire. If a further reduction is necessary, employees shall then be released based upon the following consideration: past performance, then seniority and continuing department job skill need.

D. Bumping Rights

1. To avert being laid off, an employee with no more than one below satisfactory rating within the preceding two (2) years may use total seniority in all classes covered by this Agreement in which the employee had previous permanent appointment during his present period of employment. The order of layoff shall then be as described per Subsection b).

E. Layoff Procedure

Management shall:

1. First advise the employee organization, and then advise the employees in the affected classes, that on a given date, the department will be required to reduce the number of employees in that class by a specific number. Such notice shall be given as far in advance as possible.
2. Post the order of layoff list with a copy of this Section.
3. Employees designated for layoff shall have a reasonable period of time from the posting of layoff notices to request in writing that they be allowed to exercise their bumping rights.

F. Release and Recall List

1. Employees so released shall be placed on a recall list for the job held at time of release.
 - a. The list shall be split into two parts: exceeds expectation and competent.
 - b. Employees with "fails to meet standards" shall not be included for recall.
 - c. Within the "exceeds expectations" and "competent" categories, the employees will be listed in seniority order. Such seniority shall be based on total service to the Torrance Public Library.
 - d. The City and TLEA will meet and consult over the definition of the categories "exceeds expectations," "competent," and "fails to meet standards" used in the preparation of a Recall List.

G. Re-employment

1. The names of persons laid off in accordance with the provisions of this Agreement shall be entered upon a list in order of their seniority, except that employees with two or more below satisfactory ratings in the preceding two years shall be placed at the bottom of the list in seniority order.
 - a. Personnel shall develop the re-employment list and such list shall be used by the Civil Service Commission when a vacancy for that class is to be filled, before certification is made of an eligible list.
 - b. The appointing officer shall reinstate the one highest available on the re-employment list providing that these employees re-employed have the demonstrated ability and the qualifications to perform the work of that particular sub-classification specified in this Agreement.

- c. Names shall be carried on such list for a period not to exceed two (2) years from the date of separation from service, or until returned to original position in case of downgrade. Three (3) refusals shall result in being dropped from the list.
- d. The employee shall not accrue benefits during the time of layoff and if re-employed, such layoff time shall be deducted in computing total service but shall not serve to interrupt continuous service.

H. Seniority

- 1. For purposes of this Section, seniority shall be defined as total and continuous service pursuant to Section 17.72.2. Where two (2) or more employees have the same anniversary date with the City, seniority shall be decided in the following manner:
 - a. Where such employees were appointed from the same eligibility list, the employee whose name was lower on the list shall be the least senior employee.
 - b. Where such employees were not hired from the same eligibility list, seniority shall be decided by the date of promulgation of the eligibility lists.
 - c. Layoff from Other Representation Units
 - i. In the event of a layoff in a classification not covered by this Agreement, an employee who had previous permanent employment in a classification covered by this Agreement shall have the same rights as employees covered herein; provided, however, that such an employee's seniority shall be based solely upon total service in classifications covered by this Agreement.

SECTION 6.15 LAYOFF (Section II Employees)

A. Reduction in Staff

- 1. Whenever, in the judgment of the Library Department, it becomes necessary for a part-time position or positions to be eliminated, the department head may reduce staff and release the employees holding such position. Reasonable written notification of such reduction in staff shall be provided to TLEA and the effected employee(s).

B. Method of Reduction

- 1. The first employees to be released shall be those who have been employed with the City less than 6 months. This reduction in forces shall occur in inverse order from date of hire. If a further reduction is necessary, employees shall then be released based upon the following consideration: past performance, then seniority and continuing department job skill need.

C. Release and Recall List

- 1. Employees so released shall be placed on a recall list for the job held at time of release.
 - a. The list shall be split into two parts: exceeds expectations and competent.
 - b. Employees with "fails to meet standards" shall not be included for recall.
 - c. Within the "exceeds expectations" and "competent" categories, the employees will be listed in seniority order. Such seniority shall be based upon total service to the Torrance Public Library.
 - d. The City and TLEA will meet and consult over the definition of the categories "exceeds expectations", "competent", and "fails to meet standards" used in the preparation of a Recall List.

D. Recall

- 1. When an opening occurs related to a job description where a recall list exists, the department shall use this list first for appointment.
 - a. Priority shall be given to employees on the "exceeds expectations" list and then "competent" list.

- b. Within these two groups, selection shall be based on seniority.
- c. If a specific established job skill is required (i.e. driver's license, typing) and no one on the recall list meets those needs, the department head can proceed to recruit beyond the list.
- d. Such a list shall have a duration of one year. An employee may decline one offer of rehire. A second declination shall remove that individual from the recall list.
- e. Upon recall, the employee shall be rehired at an hourly salary rate equal to or greater than that rate previously paid; furthermore, previous service shall be credited for promotional consideration.

SECTION 6.16 SUNDAY HOURS LANGUAGE

- A. The City plans to contract with a temporary Library Help agency to fully staff the Central Library on Sundays. This service will begin with the commencement of the school year in September 1986. With the inception of the plan, there will be no TLEA personnel required to work on Sundays. If in the evaluation of the City Librarian the temporary concept is not viable, the City agrees to meet with TLEA regarding Sunday hours. If for some reason, the temporary help concept does not work out, TLEA will be responsible for working no more than 30 Sundays during the course of this contract.
- B. TLEA–AFSCME Local 1117 library full-time employees who work on Sundays will be paid their normal hourly wage at the rate of time and one-half, pursuant to provisions of the TLEA MOU. In addition, employees who work on Sundays shall be eligible for a “Sunday differential premium” of 10% for work on that day. Employees also have the option of taking the time as comp time, also paid at time and one-half. Hours of work on Sunday shall be 1:00 p.m. to 5:00 p.m.
- C. Staffing on Sunday is on a voluntary basis. There will be no negative impact on performance evaluations for not volunteering to work on Sundays. However, Management may refer positively, if applicable, on performance evaluations, for Sunday work.

A list will be circulated which shows all open Sundays no later than August 1. Employees who wish to work will be assigned in seniority order. Library employees will be given priority over contract employees.
- D. Part-time library employees shall be paid their normal hourly rate for work on Sundays.
- E. Employees who work on Sundays shall be eligible for a “Sunday differential premium” of 10% for work on that day.
- F. Section 5.1.B.1 shall still be in effect for the Sundays in which the Library is not open as well as other days the library is closed.

SECTION 6.17 REMOVAL OF REPRIMANDS FROM PERSONNEL FILE

After two years an employee may request any written reprimands be removed from his/her file if standard performance evaluation is maintained during those two years.

SECTION 6.18 WORK RULE LANGUAGE

The City shall have written work rules for each Department. Such rules shall be transmitted to TLEA-AFSCME Local 1117 upon any revisions. No rules relating to wages hours, benefits and working conditions shall be changed or otherwise modified without meeting and conferring.

ARTICLE 7 - GENERAL PROVISIONS

SECTION 7.1 NON-DISCRIMINATION, EQUAL OPPORTUNITY, AFFIRMATIVE ACTION AND HARASSMENT

- A. The City and TLEA–AFSCME Local 1117 support the concept of equal employment opportunity.
- B. Neither the City nor TLEA–AFSCME shall discriminate on the basis of age, sex, marital status, disability, medical condition, race, color, national origin, religion, sexual orientation, union affiliation, or political affiliation.
- C. The City and TLEA–AFSCME agree that they will work to ensure a working environment free of discriminatory harassment.
- D. If the employee has a complaint based on discrimination, he/she may make a complaint under Administrative Memo 18 or make a complaint to the Department of Fair Employment and Housing or The Equal Employment Opportunity Commission or file a grievance alleging a violation of the contract.

SECTION 7.2 MEMBER RELATIONS FUND

Every year on the first pay period of November, employees will be given a grocery certificate for \$46.00 for groceries from the City & AFSCME Local 1117. The City will purchase and distribute the certificates and will include a joint letter of appreciation. Should the City purchase the gift certificates at a discount, the city will distribute the discounted amount proportionately to each member. Every year on the first pay period of October, the City will pay TLEA-AFSCME Local 1117 an amount equal to \$1.00 per employee covered by TLEA-AFSCME Local 1117.

SECTION 7.3 JOB ACTION

- A. The TLEA and its members agree that during the term of this Memorandum of Understanding, there shall be no strike, slowdown, blue flu, or other concerted job action.
- B. In the event of an unauthorized job action, the City agrees that there will be no liability on the part of the Torrance Library Employees Association, provided the employee organization promptly and publicly disavows such unauthorized action, orders the employees to return to work, and attempts to bring about a prompt resumption of normal operations; and provided further, that the employee organization notifies the City in writing, within forty-eight hours after the commencement of such job action, what measures it has taken to comply with the provisions of this Section.
- C. In the event such actions by the employees' organization have not effected resumption of normal work practices, the City shall have the right to take appropriate disciplinary action.

SECTION 7.4 ORIENTATION/MONTHLY MEETING

- A. Management indicated a responsibility to maintain a formal departmental orientation program for new employees. Said orientation program shall include a review of the rights and obligations of both the employer and employee under this Agreement.
- B. Management and TLEA agree to meet monthly to discuss any issues which may be brought forward by either party. The meetings shall be on the fourth (4th) Thursday of the month at a time and location agreeable to both parties. Any meeting may be canceled or rescheduled by consent of both parties.

SECTION 7.5 MANAGEMENT RIGHTS

The City shall have the exclusive right to determine the mission of each of its departments, commissions, boards and agencies, set levels of service to be performed, direct its employees, exercise control and discretion over its organization and operation, and determine the methods, means, and personnel by which the City's operations are to be conducted, and the levels of service met, and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees and their representatives from meeting and consulting or filing grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

SECTION 7.6 EMPLOYEE RELATIONS LEAVE

An amount equal to 22 work shifts (or 198 hours for the combined TLEA and TLEA–AFSCME Local 1117 organization) per fiscal year shall be available for employees to participate in Employee Relations Leave outside the City. If the 198 hours are used up, and if there is a convention that requires the use of additional hours, impacted employees may ask their Department Heads for permission to use up to an additional three shifts (27 hours) with the concurrence of the City Manager or designee. This 27-hour amount is not subject to carry over if unused.

The City will track these costs and any amount requested over this amount may be taken, but employees must then use their own accrued time such as vacation or compensatory leave or attend meetings without pay. Unused hours from the previous year can be carried over and will be used first in subsequent years; however maximum shifts used in any one year can never exceed 30 shifts (or 220 hours). The three discretionary shifts subject to Department Head and City Manager approval cannot be carried over.

SECTION 7.7 WELFARE TO WORK

Duties normally performed by employees represented by AFSCME Local 1117, shall not be assigned to welfare recipients, welfare to work participants or any public, private or nonprofit organization using the services of welfare recipients. Such individuals shall displace no represented employees. Displaced shall be defined as partial displacement such as reduction in hours of work, wages or employment benefits.

SECTION 7.8 FAMILY-SCHOOL PARTNERSHIP LEAVE

The parties agree that they will adhere to the State Law (Labor Code Section 230.8) allowing 40 hours (a maximum of eight hours per month) of unpaid (however, employees may use accrued vacation or compensatory time) participation per calendar year to participate in children's school activities, including licensed day care. Employees are required to provide reasonable notice and, if requested, documentation.

SECTION 7.9 RELEASE TIME

The City recognizes that employees and representatives of the Union are entitled by law to reasonable release time for many purposes. The purpose of this provision is to memorialize the parties' intent with respect to use of reasonable release time.

Use of release time is necessary for the Union to effectively operate. However, it is essential for efficient operations of City service that supervisors and managers are timely notified of the use of release time to ensure minimal impact to service delivery. For these reasons, the parties agree that release time will be provided in accordance with this article. The parties agree that Employees will utilize the *Notification of Release Time* form to provide notice of their intention to use release time. Release time will not be unreasonably denied.

- A. Meetings with Management:
The parties agree that there may be times that the Union may need to meet with a representative of management. This may include, but not be limited to, Roundtable Meetings, Safety Team Meetings, meetings with Department Heads or Managers, or for other purposes where management and the Union agree to meet. For those meetings, Union representatives will receive paid release time for the entire period of the meeting as well as one half hour prior to and one half hour after the meeting (inclusive of travel time).
- B. Negotiations:
Employees will be provided with paid release time for the entire period of the negotiation session, as well as one (1) hour before and one hour after (inclusive of travel time).
- C. Hearings:
Paid release time is available for time spent in hearings (e.g. PERB, discipline, grievances), preparing for hearings, and traveling to and from such hearings.
- D. Meetings to Represent Employees:
There are numerous situations where employees in the Union may seek representation, including, but not limited to, an Administrative Conference (i.e. a meeting with a City representative, after which an employee receives a notice of intent to discipline), or a meeting in which the employee has a reasonable belief that the meeting may lead to the imposition of discipline, or other meetings where representation is appropriate. Paid release time will be provided for employees' attendance at such meetings.
- E. Executive Board Meetings/Union Elections:
For Executive Board members whose work schedule is such that they are scheduled to be working during General Membership and/or Executive Board meetings, they are entitled to a total of two (2) hours per month of paid release time as well as one half hour prior to and one half hour after the meeting (inclusive of travel time). Employees who are required to staff polling sites for Union Elections shall be released with pay for said election. However, no more than two Union representatives may be released at any one time for the purpose of staffing a polling site during elections for Executive Board Members, contract ratification, or special elections.
- F. Other:
An Executive Board Member who is required to participate in the City's New Employee Orientation shall receive a maximum of up to one (1) hour per month of Release time, inclusive of travel time. In addition, an Executive Board member whose work schedule coincides with the Civil Service Commission or City Council Meeting shall be entitled to Release time to participate in such meeting for the sole and limited purpose of addressing an Item on the agenda related to the Union.

It is required that employees who are using paid release time for the purposes defined in paragraphs A through F above will complete and submit the Release Time form (Attachment F). If such meetings are set more than 72 hours in advance, employees shall complete the Release Time form and submit it at least 48 hours prior to the time of the meeting (excluding days off/weekends/holidays). For those meetings that are set with less than 72 hours notice to the impacted employees, the Release Time form will be filled out and submitted as soon as it is practical. Executive Board Members are encouraged to submit one Release Time form for all Board/Membership meetings scheduled during the year. Releases shall only be for those employees requiring paid release time from actual scheduled hours of work.

- G. Employees who desire to meet with their Union representative during work hours regarding Union-related business (such as questions about rules, policies, MOU provisions, etc.) may be released from duty with the approval of their supervisor for such purposes. The parties intend that such meetings shall be 15 minutes or less in duration.
- H. President's Release Time (Effective August 19, 2007):
While it is anticipated that the President of the Union will utilize release time in accordance with this article for the reasons provided herein, the Union President will also receive paid release time of two days per week to conduct other union activities necessary for the essential operation of the Union as directed by the Executive Board of the Union. The Union President's release time will be on Tuesdays and Wednesdays. However, if a Holiday falls on a Tuesday or Wednesday, the President shall receive Release Time on his/her next work day.
1. On the President's release days, the Union President must be available by phone during the normal work hours. CATASTROPHIC LEAVE PROGRAM (Revised 1998)

Purpose

The purpose of this Catastrophic Leave Program is to allow employees to assist another employee during times of personal crisis when serious illness or injury has incapacitated him/her or a family member and the employee is therefore unable to work. It can also be used for employees who suffer catastrophic illness or injury who must undergo intermittent medical treatment such as chemotherapy. This program is solely for employees whose accrued leave balances have been exhausted.

Policy

The Catastrophic Leave Program allows an employee to transfer eligible leave hours (vacation, sick leave, compensatory time and/or administrative leave) to another employee when a catastrophic illness or injury occurs. A catastrophic illness or injury is defined as a serious health condition which substantially incapacitates an employee or qualifying family member, or which forces the employee or family member to undergo ongoing or lengthy substantial medical treatment. The illness or injury further creates a financial hardship because the employee has or will exhaust all leave time. For the purpose of the Catastrophic Leave Program, qualifying family member shall mean an employee's parents, step parents, spouse, children and stepchildren.

An employee will not be eligible for catastrophic leave until he/she has exhausted all leave time, including sick leave, vacation, compensatory time and administrative leave.

Donated hours may be used under the following situations:

- To cover the elimination period before short-term and/or long-term disability benefits begin
- To supplement short-term and/or long-term disability benefits
- To cover the time used on unpaid Family Leave

Procedures / Guidelines for Using Catastrophic Leave

1. Leave of Absence paperwork¹ must be submitted to the Human Resources Department. It should include medical certification of a serious health condition per the FMLA guidelines and the dates the employee expects to be absent. The leave must be approved by the Department Head and the Human Resources Director.
2. Verification of illness or injury of the employee or qualifying family member must be provided in writing by the treating physician on the City provided forms.
3. The employee or representative makes a request for catastrophic leave donations to the employee's department. The City Manager's Office is then notified and advertises the donation request via e-mail.
4. The period of absence will be determined by the written verification of the employee's or family member's physician and will not be based on the number of hours donated. Employees who are approved for the Catastrophic Leave Program due to a qualifying family member's catastrophic illness/injury may use donated time for a maximum of 12 weeks during a rolling one year period, as is allowed by the Family and Medical Leave Act.
5. Employees who are approved for the Catastrophic Leave Program due to a qualifying family member's catastrophic illness/injury may use donated time for a maximum of 12 weeks during a rolling one-year period, as is allowed by the Family and Medical Leave Act.

¹ Leave of Absence Paperwork consists of "Request for Leave of Absence" form and either a form for personal illness or a "Family Medical Certification" form (for family illness).

6. Employees must exhaust all personal leave hours (vacation, sick leave, etc.) prior to using any donated hours.
7. Employees will not accrue vacation, sick leave, or service time while using donated hours.
8. Donated hours may not be converted to cash (“cashed down”).
9. The catastrophic leave bank will be closed and no further donations will be accepted under the following conditions:
 - The ill/injured employee returns to work full time, or
 - The 12 weeks of Family Leave have been exhausted, or
 - The ongoing, intermittent treatment program has been completed.

In these cases, any unused donated balances will be returned to the respective donating employees.

Any subsequent illness after the close of the bank will require a new request and approval.

Procedures/Guidelines for Donating Hours

1. Employees who wish to donate eligible leave hours must complete a Catastrophic Leave Bank Transfer Authorization form.
2. Donations of Catastrophic Leave hours are made on a voluntary basis.
3. All donated time must be in increments of one hour or more.
4. Donations of leave hours, once used, are irrevocable and become part of the receiving employee's leave bank.
5. Employees with less than 40 hours of sick leave may not donate sick leave hours. This provision may be waived by the City Manager if a donating employee has given notice of terminating employment with the City and there is a current qualified Catastrophic Leave Bank recipient.

Confidentiality

To protect the confidentiality of the program, the names of individuals who donate will not be released. The exact amount of hours donated will be provided to the receiving employee upon request for the purpose of computing the length of time to be covered by the catastrophic leave bank.
