Come learn more about environmental concerns, energy conservation and what you and your family can do to help make our community more environmentally friendly. There will be a wide range of displays ranging from green home improvements and energy efficient appliances to energy efficient transportation such as hybrid cars, electric vehicles, public transportation, scooters and bicycles., as well as information on natural landscaping techniques, water conservation and appreciation of the wonders of nature. Come learn about the "Torrance Green Pledge" and see what you can do to make our city and our world a better place!
