

Team Makeup Kits

We are once again ordering our team makeup kits from *Arbonne International*. The kit for full team members includes a lipstick and a blush that is custom selected for personal skin tone. The kit for competition team members includes a lipstick, custom selected blush, and 3 eye shadows.

During the Wednesday, October 7, 2009 practice, we will be testing blush colors on each of the girls who are planning to purchase blush. *Arbonne International* makeup is derived only from natural botanicals and is hypoallergenic. However, if you know that your child has a potential skin allergy, please let us know!

Please sign and return the permission slip below with payment on or before October 7, 2009.

My child _____ has permission to be tested for blush color.

Parent Name: _____

Parent Signature: _____

Please check your order option:
