

# SAND SOCCER CAMP

This one week camp is designed to prepare the player for the International Surf Festival Sand Soccer Tournament at Torrance Beach August 1 – 2, 2009. Sand Soccer is a new and rising sport in the South Bay, it's fast paced and fun at the same time it builds up the legs from running in sand. Playing soccer in the sand is not easy but Jim Millinder, former Head Women's Coach for USC will prepare your child for the tournament the right way. Please bring water and sunscreen; no extended supervision.
