# TORRANCE TORRETTES

Welcome dancers, family, and friends to the 2009 – 2010 year of the Torrance Torrettes. We have a very exciting year ahead of us with many performances and activities planned.

The Torrettes is a great program that develops strong drill team skills at all levels, builds friendships, and teaches teamwork and good sportsmanship. By being on this team, your daughter will get the opportunity to represent the City of Torrance throughout Southern California in parades, shows, local appearances, and competitions.

Please look over the information that has been provided. We will be having a parent meeting Wednesday, September 30<sup>th</sup>, 2009, to go over everything in more depth. The meeting will be held between the two full team classes from 4:45 p.m. to 5:15 p.m. Please be on time, as we will be continuing with our regular scheduled classes when the meeting is over.

Once again, welcome to the team! I know this will be an exciting and fun year for everyone. I look forward to meeting all of our new members and parents and catching up with the returning ones as well.

Thank You,
