## Sony Picture Studios Tour with a taping of “WHEEL OF FORTUNE”

**AND A BOXED LUNCH ON THE STUDIO LOT**

**THURSDAY, FEBRUARY 18, 2010**

Situated on one of Hollywood's most famous studio lots, a walking tour of Sony Pictures Studios offers a glimpse of Tinseltown's glory days. The Culver City lot, formerly MGM Studios, is now home to Columbia Pictures and Columbia TriStar television. It has delivered such classic films as "The Wizard of Oz," more recent hits like "Spiderman," "Stuart Little" and "Men in Black," and long running TV game shows "Wheel of Fortune" and "Jeopardy!" During the two hour guided walking tour, guests visit the area where artists paint scenic backdrops for feature films, as well as the sound stages of a number of popular television shows. From Hollywood's glory days to today's high-tech world, a visit to Sony Pictures Studios is an experience not to be missed! After the tour, you'll enjoy a boxed lunch at the studio lot before taking a seat for the afternoon taping of "Wheel of Fortune." The show, starring Pat Sajak and Vanna White, is the second longest running game show in history! You'll be part of the studio audience as you cheer on the contestants.

Tours are designed for those 50 years of age & over.
